

DUST-A-SIDE VISION & CORE VALUES

VISION

To be a global leader in dust control management by adding value to our customers, through innovative solutions and utilizing the operational skills of our safety conscious and highly motivated people.

CORE VALUES

Safety

- Every action we take must conform with the highest standards of safety
- Safety is our priority responsibility

We must exceed our customer's expectations

- The quality of our work must be world class
- We must treat our internal and external customers like royalty

Caring

- We are people of integrity
- We show respect and fairness to everyone we deal with
- We care for the communities we work in
- We care for our environment

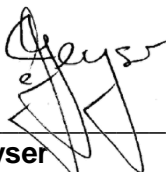

Prosperity

- Everyone's future at DUST-A-SIDE depends on economic growth and profitability
- We all play an important part in creating a secure future

A passion for excellence

- Excellent thinking and attitude leads to excellent behaviour and work standards
- It all starts with each one of us – we can make a difference.

Signed at the Head Office in Centurion on the 10th day of September 2019.

Johan Geyser
Managing Director Dust-A-Side Holdings
