

## Safety, Health, Environmental and Quality Policy

Dust-A-Side strives to **Manufacture** a range of dust suppressant products that is Safe with no hazards to your Health, no Environmental Impact and of a high Quality that comply with the requirements of **ISO 9001:2015** and **ISO 14001:2015**.

Dust-A-Side furthermore strives to render a total dust control management **Service** by Manufacturing, Administrating and Supporting a system that is Safe, Healthy, Environmentally friendly, of a high Quality and in line with the **OHSAS 18001:2011** Standard as a guideline.

To achieve this goal and ensure **Zero Harm** to all Employees, Contractors, Visitors and members of the Public, Dust-A-Side will:

- Ensure that all risks are documented that could affect this goal, are identified and eliminated, if not possible, reduced to an acceptable level and then controlled;
- Have a process approach and risk-based thinking ethos towards our business functions;
- Is appropriate to the purpose and context of **DUST-A-SIDE** and supports our strategic direction;
- Plan and commit to continually improve in terms of Occupational Health, Safety, Environment and Quality to such an extent that all classified incidents will be minimized ensuring that both employees and members of the public are unlikely to be placed in unnecessary and unacceptable risk situations;
- Develop and implement a system to ensure that a high level of legal compliance with the applicable Occupational Health, Safety, Environmental and Quality legislation is achieved;
- Ensure that all Policies, Procedures and Standards are reviewed on a regulated basis and implemented to ensure their effectiveness to achieve the continuous management and improvement of Occupational Health, Safety, Environmental and Quality Systems;
- Make available realistic financial resources to ensure that all Occupational Health, Safety, Environmental and Quality objectives and requirements of this Policy are achievable;
- Ensure that this Policy is implemented and maintained by all levels of Management and Employees;
- Ensure that this Policy is reviewed by Management and Health, Safety, Environmental, Quality Committees as required by ISO Standards to ensure that it remains effective and appropriate to Dust-A-Side; **and**
- Ensure that this Policy and related SHEQ documentation is made available and communicated to all employees. Furthermore, this will be made available to any other interested parties upon request.

Signed at the Head Office in Centurion on the 10<sup>th</sup> day of September 2019.
